You are a member of **Sports Club**. On your last visit to the club. You saw the notice below.

*Dear Members,*

*We are sorry to tell you that from next moth membership fees will **go up by a 15%**. Also, due to maintenance the club will close from 4pm on Wednesday for the next four weeks. Please feel free to email us.*

Write an email to your friend regarding your feeling about the notice and suggest possible alternatives.

Also write an email to the **Club President** explaining your feelings and possible alternatives.

Dear Club President,

I am writing this letter to let you share my view regarding membership fees which has been **climbed up** by 15%. This is very true, the club expenditure is expanding over the time, and it is high time to adjust according to market price index. **However**, In my opinion, we can **make up** our club maintenance cost in different ways. I am going to share my view in this regard. As you know, in our club most of them are students, who have no fixed income and largely depends on their parents. **Firstly**, It might be better idea to grow up new members in our club which might be a alternative way to **cover up** the additional cost rather than impose additional membership fees. **Secondly**, we might raise some funds from our ex-senior club members who are established, and we should regularly invite them in our club program. In addition, we may **look for** for sponsors in our club program to minimize our cost.

Following are my ideas, I think our club members have many nice idea that we can discuss in our upcoming club meeting to find out a better solution.

I am looking forward to hearing from you as your earliest convenience.

Best Regards,  
Ahmad Sharif

Dear Secretary,

Hope you are doing well. I am writing this letter to let you share my view regarding photography workshop that was likely to held in upcoming month. This is very unfortunate to learn that the historical buildings have been damaged due to the storm. **Moreover**, I am very much glad to hear that a trip has been arranged which will likely to be held on 15<sup>th</sup> March. **However**, I have some ideas for our club that I like to share with you.

**Firstly**, It would be great if we arrange a photography exhibition regarding these historical buildings which has been damaged by storm to point out to the nation and the legal authority. As these buildings are our nation's heritage and it is our moral duty to take necessary steps. **Secondly**, We can launch a campaign from our photography club to find out other historical or iconic building which lies in our local area. It will serve public awareness among general people about our national heritage.

I have some plan regarding our upcoming club meeting that I would like to share with you. **Firstly**, It would be great for club members if we manage a video message from Mr. Price which we will broadcast during our club meeting. **Secondly**, we might invite a notable traveler of Bangladesh, like MA Muhith who climbed the Mount Everest few years ago as it serves to motivate our club members. **Moreover**, In my opinion we might fix a date to arrange our annual picnic

### **Complain Letter**

Write a formal letter to the Customer Support Manger regarding faulty mobile phone that you bought last week.

Dear Manager,

I am writing to complain about a mobile phone that I have purchased from your on-line store.

The phone worked as expected during the first two weeks and then suddenly malfunctioned. **Firstly**, the camera stopped working and later the touchscreen became irresponsive. Also, the monitor is getting blurry which makes it difficult for me to see the SMS messages clearly. I was very surprised to discover such problems in quite an expensive model. The phone is now unusable.

I would highly appreciate if you could look into this matter, and discuss how to replace it with a brand new one. Otherwise, I will be well within my right to request for a complete refund.

Looking forward to your response and kind cooperation.

Best Regards  
Mahmud Hasan

***Apology letter for Late Payment of Rent and inform some problem of the flat.***

Dear Sir,

Kindly receive my sincere apologies for being late in paying the rent. I understand I was supposed to pay by within first week of following month. **Unfortunately**, I had lost my wallet and there was a large sum of money inside. Due to my good history in making payments, please consider my unexpected incident. I will pay all the rent required by next week. I hope that this does not cause you much inconvenience.

There are also some problems with the flat that I wish to bring to your attention. **First**, the cold tap in the bathroom will not turn off properly, and the water is dripping constantly. This will need to be fixed quickly because it is wasting water. **Second**, one of the back burners on the top of the oven does not work at all.

I'm sorry that I cannot pay the rent on time, and trust that you will understand.

Best Regards  
Hasan Ahmad
